EXPERIENCE

Graphic Designer

Trovaweb SRL / 2023-Now

As a Graphics Designer at TrovaWeb Srl, I am eager to make an impact, enhance my design skills, and gain valuable experience within the dynamic role. Working with the TrovaWeb team has improved my abilities, provided learning opportunities, and allowed for creative contributions in my professional growth journey.

Co-Founder & Graphic Designer

Abirvab Design and Printing / 2017-2021

At a young age, I co-founded a design and printing business with a friend, an experience that proved invaluable for my personal and professional growth. Regrettably, I had to relinquish this endeavor upon departing my home country to pursue higher education in Italy.

EDUCATIONS

bachelor's Degree in Data Analysis

University of Messina
2022 - Now
